

“Rescuing People from Spiritual Peril”

John 4:1-26

How can we rescue people who are living in spiritual peril?

1. I must strategically venture into their environment.
2. I must build a relational bridge to them.
3. I must clearly point the path to safety.
4. I must be open to sharing a Word from the Lord.

Four kinds of knowledge:

1. Human knowledge
2. Evil knowledge
3. True intellectual knowledge
4. Spiritual knowledge

“The word of knowledge is the communication by the Holy Spirit of the knowledge of the Lord.”
Howard Carter

5. I must let people know that God is seeking after them.
